Specialized

GPS305	85/24	3'x5' Safety Panel for birthing pens	\$99.00
GGP405	85/34	4'x5' Grafting Panel	\$114.00

4x4 wire heavy duty panels and gates and a 4x4 wire pen using wallpockets.

Horizontal nine bar panels and gates come in a variety of sizes.

Kid-safe panel allowing that safe space.

Grafting panel for latching the kids on.

Vertical bar panels and gates prevent climbing on panels, a great option for swine producers or goats and sheep.

Latch options for gates: vertical, chain and horizontal latches.

Wallpockets can be utilized to connect to walls.

Portable Panels and Gates

4' tall (50")

Photos of our quality bucking chute systems. Options available on these as well.

Miniature Horse Stalls but can be used for other livestock as well as kennel applications.

New Water Gate Panel - allows for two areas to share the same trough. This panel can be built to allow for feed systems also.

New style of scale cage pictured in top and bottom photo.

Smaller version of our calf roping chute ... this one is designed just for calf ropers.
